## **EVENT RULES:**

For event participant safety please follow the rules below under which it is intended to run the event. These rules are put in place for the safety of participants and event organisers:

1. People go directly to the start from their car
2. Please do not go to the finish area or congregate before start
3. People who have hired ident will pick them up on the way from the cars to the start.
4. Start time 10:00am
5. Once downloaded runners are asked to return to their cars to wait for others and limit the amount of congregating before and after the event.
6. With the Covid19 Orange setting it is encouraged to still keep a distance (otherwise still have fun)
