

Thanks tonight to Baylee and Maree for some great courses.
Also I would like to thank all the club members that are helping
at a really difficult time for Val and I. Its really hard when you
have one on a stick (new hip) and the other operation on both
feet. Our younger members have been so amazing and we are both
so proud of their efforts

Next week Rosa Birch Reserve

And the following week we have a change from the high school
to Roseville Park See you there
