Event Cancellation

Cancellation of the event will occur in conditions that are too dangerous for safe competition. Situations that might lead to cancellation are COVID-19 alert level changes, fire risk, extreme weather, loss of access, serious earthquake, or death of a competitor or spectator. Should any of the events need to be cancelled, this information will be posted on the Counties Manukau Orienteering website cmoc.co.nz and on the Counties Manukau Orienteering Club Facebook page facebook.com/cmorienteering. An email will also be sent to all participants, using the email address provided as part of their entry, as soon as practicable after the decision is taken. We cannot guarantee that you will receive notification of event cancellation before you travel to the event, so please do check the above links.

Refunds

The following policies will apply to refunds:

- Entries cancelled partially or in full up until entries close will receive a refund less a NZ\$10 administration fee.
- No refunds will be given for cancellations after entries close with the exception of a competitor needing to withdraw due to contracting COVID-19. Competitors needing to withdraw due to contracting COVID-19 will receive a refund in full.
- Application to the event organisers to accept cancellations and consider full refunds due to hardship or for some other reason should be made by emailing info@cmoc.co.nz.
- Refunds will returned to the entrant via the original method of payment less any fees accrued by the organisers, such as credit card usage fees.
- If the event is cancelled due to extreme weather or other factors outside of the event organisers' control (see Event Cancellation above), the organisers will endeavour to refund as much of the entry fee as possible, taking into account any sunk costs.

Changes to Entries

The following policies will apply to changes to entries:

- After final entries close, each request to change entrant details (email address etc), classes entered, or start times will attract a non-refundable NZ\$10 administration fee. Requests to change SI numbers are no charge. Please email the organisers at info@cmoc.co.nz with changes.
- As a last resort, SI numbers can be changed at the event, in person at Registration (bring your new SI Card), at least one hour before the event starts.

Withdrawals

If you have entered King's Birthday Weekend of O 2023 and you must withdraw for whatever reason, please notify the organisers as soon as possible by email. Refunds will most likely not be actioned until the week after the event. Providing your bank account details in your cancellation email will speed up the process. Unfortunately, Counties Manukau Orienteering Club and Waikato Orienteering Club cannot take liability for any loss associated with travel or accommodation cancellation.

Event Centres and Facilities

Details of event centres and facilities will be released in Bulletin Two. Mobile phone coverage is generally reliable at the University of Waikato for the Sprint Event. Mobile phone coverage is somewhat spotty but Spark and Vodafone are generally available in Waiuku Forest for the Long and Middle.

Facilities for Those with Young Children

Childcare will not be available at any of the events. We will have covered tent areas available where children may be looked after in shade; however, we recommend that parents bring their own shade coverage if required.

Refreshments and Vendors

Refreshments and vendors will be advised in Bulletin Two. We invite applications for refreshment or orienteering gear vendors to contact info@cmoc.co.nz.

Commentary and Results Screens

We will update information on commentary and results screens in Bulletin Two. If you are interested in being a commentator at one of our events, please reach out to info@cmoc.co.nz.

Photos and Videos

Photos and video recordings will be taken by a representative from Counties Manukau Orienteering Club and published on the CMOC Facebook page at facebook.com/cmorienteeing. We would love to see your photos and videos! We encourage anyone who would like to share their own photos or videos of the event to contact us at info@cmoc.co.nz or message us through our Facebook page, ideally before the event, to arrange access for you to publish your photos and videos. If you wish to share a memory stick or Dropbox/WeTransfer/similar file of media, please email us at info@cmoc.co.nz or see us at Registration.

Embargoed Areas

Please see the official Embargo Notice at this link: bit.ly/3T9Ofal for specifics including maps of the embargoed areas. The Embargo Notice applies to all King's Birthday Weekend of O 2023 events. Anyone found breaking this embargo or intentionally trying to gain an unfair advantage will be disqualified from competing or coaching at the relevant event.

Transport

Public transport to the Sprint event held at the University of Waikato may be available, but it is up to individual competitors to ensure that any public transport they use will get them to the event on time. Check bus timetables here: busit.co.nz

Public transport to the Long and Middle at Waiuku Forest is not available. Driving will be the most likely mode of transport for most competitors. We encourage competitors to car-share where possible to minimise the impact on the environment.

Parking information will be provided in Bulletin Two.

Travel and Accommodation

As with any holiday weekend, accommodation can be in high demand and at a premium. Here are some links to options for accommodation near Waiuku:
