Abbreviations:

DNS = did not start.

DNF = did not finish (usually means that the course was abandoned or final control not punched).

MP = mispunch (usually means a control was missed, or not punched in the correct order).

Where possible (depending upon controls missed) we have still provided the competitor's time, in this case it should be treated as very indicative

DSQ = disqualified.

NC = non-competitive entry (usually a runner's 2nd course).
