A note from the Club President...

We'd like to thank Eden Park for making the Stadium available to us, to bring you this event again. They dressed the Stadium, especially the changing rooms incredibly well!

We also hope you had fun, there did seem to be a lot of noise and excitement going around on the day!

We've had some feedback and are looking to include some adaptations next year, such as a Teachers and Parents' League, so they too can go for a walk or run about the Stadium and practise your urban navigation skills too! If you have other ideas, feel free to reach out!

Also, if you'd like to stay in touch with more orienteering opportunities throughout the year please consider following our Facebook page, or joining the Club.
